

Workshop at the museum

Using technology for inclusive educational activities in the museum context

Press Release

The nonprofit organization [Inter Alia](#), in cooperation with [UNED - Universidad Nacional de Educación a Distancia](#), organizes the **Workshop: Using Technology for Inclusive Educational Activities in the Museum Context**, which will take place at the **Ilias Lalaounis Jewelry Museum**, on **Saturday 18 March 2023**.

The workshop is organized in the framework of the project [Inclusive Memory: Inclusive Museums for Wellbeing and Health Through the Creation of a New Shared Memory](#). Based on the link Art-Health-Wellbeing, the project aims (a) to create new teaching methodologies and learning pathways with the use of new and emerging digital tools, and (b) help (future) museum professionals, social care givers, school teachers, and healthcare personnel cultivate the competences needed for promoting health, wellbeing, and social inclusion in the museum setting.

Participation

This workshop is for:

- (Future) Museum professionals,
- (Future) Social care givers,
- (Future) School teachers,
- (Future) Healthcare personnel.

Working language

The workshop will take place **in Greek**.

Participation fee

Participation is **free of charge**.

Application form

Due to limited seats, we kindly ask you to **fill in [the application form in this link](#) by 15 March 2023**.
